Advance Warehouse Direct to Show Site

International Fuel Ethanol

Workshop & Expo 2024

Minneapolis Convention Center / June 10 - 12, 2024

The official Show Carrier for this event is ABF Freight, however you can use any carrier you choose to ship your items. You have two options for shipping your advance freight—either to the warehouse or directly to show site (if applicable). Material handling charges will incur for shipments received at either the advance warehouse or directly to show site. To avoid delay in receiving your shipment at show site, please make sure you have a material handling order and credit card on file.

Protecting Materials

Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show-time between your departure and the actual pickup of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.
